

Lake Meridian Chiropractic in Kent WA Thanks Everyone Who Voted for Them for Best Chiropractic Office in the 2013 Best of Kent Competition

Lake Meridian Chiropractic would like to thank all the patients and staff that supported their entry in the 2013 Best of Kent Competition

Kent, WA ([PRWEB](#)) May 07, 2013 -- [Lake Meridian Chiropractic](#) was a finalist in the 2013 Best of Kent competition, a result that would not have been possible without the tremendous support from staff, current patients, former patients, and their families. The strength of support for Lake Meridian Chiropractic comes in large part from patients that have exhausted other healthcare options and have turned to [Dr. Danene Saggau](#), DC, B CAO and her team looking for a new approach. "Our biggest focus is getting results for our patients where other avenues have failed them," is how Dr. Saggau describes the emphasis of the practice.

In support of Lake Meridian Chiropractic's bid to win Best Chiropractor in the Best of Kent competition, patients voted furiously and submitted many heart-felt stories. "I was skeptical before I came to Lake Meridian Chiropractic because I was worried about how good the treatment would be, but after doing a little research on the internet, I found that Lake Meridian Chiropractic was the best in the area," wrote Amrit S. of her experiences. Ron U. contributed, "Since coming to Lake Meridian Chiropractic, I have had tremendous results that came about slowly, but when I compare how I feel now to two months ago, there is a big difference. Two months ago I felt like I was becoming an old man. Now I feel more like a younger, fit man without limitations."

Many more wonderful stories poured in and Lake Meridian Chiropractic is thankful to have so many Kent area residents take time out of their day to vote and share their stories with the contest organizers. The company plans to add all these new stories to the [chiropractic reviews and testimonials](#) page on their website which already contains over 70 entries. Selected [Kent chiropractic](#) testimonials will also be featured on the company's Facebook Fan Page. When asked about Lake Meridian Chiropractic's participation, Dr. Saggau replied, "It is a real honor to be nominated for Best of Kent 2013. We are truly thankful for the continuous community support over the last 23 years."
