

Lake Meridian Chiropractic of Kent, WA to Sponsor the Fireworks Finale at 15th Annual Fourth of July Splash

With summer in full swing, Lake Meridian Chiropractic will sponsor the Fireworks Finale at the 2013 Fourth of July Splash in Kent, WA. This is the region's premier Independence Day celebration and features one of south King County's largest fireworks displays.

Kent, WA ([PRWEB](#)) June 18, 2013 -- As a sponsor of the 2013 Fourth of July Splash, [Kent Chiropractor Danene Saggau](#) and the whole team at Lake Meridian Chiropractic want you to get out and celebrate! [Dr. Saggau](#) and her family have many fond memories of the event and are excited to be involved. "My husband and I have lived in the Kent community for 24 years. We've always loved going to the Kent Splash event. It's a tradition that our kids want to do every year, so it only made sense to financially support this fun day."

The 2013 Fourth of July Splash features a wide variety of family activities, music and entertainment. It will take place between noon and 11:00 PM on July 4th in Lake Meridian Park at 14800 SE 272nd Street. Free shuttle buses will run to the park every 20 minutes from the following locations:

Kent Fire Station #75 at 15635 SE 272nd Street
Kentwood High School at 25800 164th Avenue SE
Meridian Elementary at 25621 140th Avenue SE

The fireworks display will begin at 10:00 PM. Admission is free to the public.

While the entire day promises to be a lot of fun for people of all ages—somewhere between 15,000 and 20,000 people are expected to participate—the fireworks finale has a special place in Dr. Saggau's heart. "I am always impressed with the fireworks show every year. They always do a spectacular job. My husband has been involved with the Lake Meridian Community Association (which raises the money for the fireworks show) for the past 8 years. He is responsible for putting the pyrotechnics barge together and for pulling it in after the show. The Kent fireworks show is something we are proud to be a part of because it is such a great community event."
